Trisha

It's not every day that I want my butt fucked, but when I do I want the guy to remember me. That's because I take time to properly cleanse and perfume my butt, so when he goes back there, he'll remember my scent and the special thing I'm doing for him. Then I'll work those muscles and get them into fucking shape before he sets even an inch into my back door. But none of that is going to happen until he gets the best blowjob he's ever had in this life!

Sadie

Sadie hated to work for an older man who thought he knew everything and was never happy with the work she did, ordering her to redo things that were done perfectly. Sadie didn't know what his problem was, but there was a promotion coming up and she was determined to get it. There was no one more qualified. The only problem was that her current boss was going to make the final decision. The way he treated her, she was sure he would never give her the promotion. She had to make him like her and didn't even know why he treated her so horribly? There was only one option, and she took it.

DO I GET THE PROMOTION NOW?

Wishful Thinking

*Kagney
Linn
Karter*

A treasure of another name is Kagney Linn Karter. In Texas they raise 'em hot and horny, and Kagney's the perfect example. Now a veteran of the adult business, her reputation is second to none with a solid work ethic, and a mouth and body ready to take on all cummers.

Wishful Thinking

*Kagney
Linn
Karter*

Us: Hello Kagney. It's been three long years since we met at a Valley party, but I was a bit of a wallflower back then. But before I begin, thank you for your time, and congratulations on your amazing success.

Kagney: Hi, I kinda remember. We said hello at the buffet, didn't we? And thank you for the nice compliment.

Us: No... thank you. I'm amazed you remember. There have been things on my mind as I've watched you over the years. I'd love to hear your comments. It won't take too long. First... the most obvious... What do you like about having sex with both guys and girls?

Kagney: I love the female body. The soft skin and round curves. They are a big visual turn on for me. I love watching girl on girl sex as much as being involved in it. As for guys... they can be a lot of fun (winks).

Us: Is there a time that you decided this business is for you?

Kagney: Not really. I wasn't that sexually active until I moved out to Los Angeles. The people you meet here! I started slowly with nude photo shoots, then a mini movie, and then I signed with an agent, and that got me a lot of work and exposure.

Us: Would you share your best experience with us?

Wishful Thinking

Kagney
Linn
Karter

Kagney: I try to make them all the best. My libido is hi-rev so I get lost in the act. It's all about pleasure, and making a little money.

Us: Have you ever had a bad experience?

Kagney: No really. Of course there are assholes in this business, but we girls talk and so you learn to avoid them as much as possible.

Us: Do you consider yourself as being sexually dominant or submissive?

Kagney: With girls, I see us all as equal on set, unless I'm asked to be more dominant. With guys, I like to be a little bit more submissive.

Us: You've got a great body and sure know how to use it. Do you like being naked and showing your stuff?

Kagney: Yes. I like my body now, and I'm comfortable with the nudity. As I began in the business, I was shy, and amazed at the size of some of the guys' cocks. Their erections are obvious, but we ladies have more hidden parts. I'm okay with showing pink. It's a must.

Us: Now that you've mentioned large cock sizes, are you a size queen?

Kagney: No, not really. But it was hard in the beginning to get used to the really thick cocks more than

the longer ones. But now, I can handle them both with ease. Sometimes when I haven't had anal sex for a while, I may need a little more lube back there to be comfortable.

Us: Does a guy's size affect the size of your dildos?

Kagney: I've never had a question put that way before, but I'd have to say no. I have different size vibrators that I use depending on the mood I'm in. But dildo's, I have a soft eight incher that is my favorite. I think that fits my pussy the best. On set I use whatever the scene calls for.

Us: Do you like to masturbate at home or do you get enough at your work.

Kagney: For me, it's never enough. I do like to finger myself and use toys when I'm in the mood. In a good week, I'll do it at least once every day. If I haven't worked for a couple weeks or a month, the frequency really goes up. Sometimes I'll even call up a girlfriend if I'm really horny and don't feel like fingering myself. We'll sip some wine and sit on the sofa naked. Then we'll start with a small kiss until the passion increases and slowly begin to finger each other. The best part is that there's no rush or someone barking out orders to break your focus.

Us: Thank you for your time Kagney. You're a real doll.

It's good to have a friend around when you're going through a break up. I decided that I needed to spend a day in and didn't want to be alone. After a light bit of day drinking, we decided to go to the bed. It wouldn't take long for my mourning to become moaning.

Elena

Elena is the kind of girl who's always able to make her own fun. It really helps on rainy days when there's just nothing to be done. If she has a man with her, then it becomes an even more exciting day. They always start differently. Somedays it begins with a bit of nude wrestling, some with a photoshoot, and sometimes it's just some light necking. But no matter how it starts, it always ends with plenty of sucking, licking and fucking.

Why is it that the cutest girls do some of the nastiest things? They don't have to. They can just slide by in life by being cute! But if you're lucky enough to bed one, go crazy. She'll be just as crazy as you, begging you to fill her pussy and her mouth, and then her tight little ass. Why, you might even have a chance to do a solo DP with her favorite toys.

Hot Vacation

*We'd been just friends for years,
until that weekend at the beach*

Karl and I have been together for five years. We have an open relationship, so our conversations on sexual matters are quite frank. Karl had often mentioned his desire of having sex with my friend Tina and me at the same time. And there were many times we could easily have done so.

But the furthest we had ever gone was intense snuggling on the couch. I always became too tense, too uncomfortable, to go on to anything more.

I'm not certain what was different during that weekend at the shore. Tina was spending Memorial Day weekend with us. Starting on Friday night there were overtones that something deeper was developing between the three of us.

Sunday, on the beach, Tina started massaging my back while Karl was swimming in the ocean. I was startled, while watching the waves crash onto the beach, to realize my growing sexual excitement. Later, when I came back from a long walk, I found Karl sitting on Tina's ass, rubbing sunscreen onto her back. She looked up at me as I approached, her gaze penetrating me.

When we arrived back at the house, still in our bathing suits, the place was hot and sultry, the air steaming

with erotic possibilities. The day at the beach, soaking in the rays of the sun, and the party afterward, smoking too much weed and drinking too much wine, had made me feel restless—and reckless.

Tina would be leaving in the morning, but Karl and I would stay on another day. We were sitting on the floor around the big coffee table, drinking more wine. Tina was wearing her scanty string bikini, which became unstrung when she reached behind herself for an ashtray. Capriciously, she snatched the top away from her body, her tits bouncing free.

"To hell with it," she said casually. Turning to us, she asked with a laugh, "Unless you'd prefer I keep it on?"

"Oh, no. Not at all," Karl said quickly, his eyes fixed on her boobs. I followed his eyes. Tina's nipples were hard. Her breasts were quite different from mine. They were very round and firm, like tennis balls. Tina was staring at me. I tingled with embarrassment, an unusual glow growing deep within me. I jerked my eyes away from her tits, feeling guilty. She was smiling, her eyes filled with amusement.

"Why don't you take off your top, too?" she asked me. "I'm sure Karl would like to see both of us."

As I removed my top, I nervously bent forward to grab my glass of wine. Tina reached out and caressed the top of my ass, which was peeking out of my scanty bottoms. Waves of excitement swayed through me.

Karl's voice punctuated the eroticism of the moment. "It really turns me on, watching you two touch each other," he said.

Squeezing my ass, Tina purred, "I bet you really like it, don't you?"

"I do, but..." I couldn't explain my discomfort. I loved

eyes and waited a very long time. Suddenly I felt a caress on my ass. I could hardly catch my breath. My skin was tingling.

"Let's leave her here for a while," I heard Tina say.

I don't know how long I stood there, my body stiff and aching, my mind spinning. It seemed an eternity before I heard them come back. Tina walked around to my side. Her response sent chills through me.

"We need to loosen her up," she said. Karl stepped up to me, then stopped and looked at me for a long

Tina, but she was my friend.

Karl grabbed me and said, "Why don't you let yourself go?"

"I'd really like to," I said haltingly.

"Close your eyes and come with me," Tina whispered into my ear. "You can trust me." As she led me across the room, something touched my forehead, something soft and silky. I felt something being tied around my eyes; it was a scarf. Tina walked away, leaving me enveloped in darkness. I could hear her whispering to Karl, but I couldn't make out what she was saying. I felt something against my arms.

The scarf was removed from my eyes. My blurred vision soon focused on Tina and Karl. "Karl, will you take off my bottoms," she said cooly, running her fingers over his chest.

Karl followed her bidding, leaving the brief bottoms of her bikini around her ankles, while he ran his hand over her ass. I tried to look away, but Tina grabbed my hair, jerking my head around. "Look, I want you to look."

Karl was stroking her ass, running his hands between her legs. Tina unsnapped my shorts and then pulled them over my hips.

A strange sensation pulsed through me. I closed my

time. He reached his arms around me, his lips falling open and yearning toward mine. He then grabbed my ass, his stare growing more intense. He then gently pulled my cheeks apart. I shivered with anticipation.

Meanwhile, Tina's fingers searched out my cunt. "You're all wet! You like it, don't you?"

"Yes, yes!" I quickly—too quickly—answered. She inserted two fingers into my dripping pussy. I moaned with an intensity that frightened me, and almost against my will I started to move my hips in response to her thrusting hand between my legs.

Karl stepped away to watch us, his lips open, his breath coming in fast, shallow bursts. He looked more passionately excited than I could ever remember seeing him. I lost all sense of what was happening and was engulfed by my blazing cunt. I was reduced to the sensations that were passing through me and making my whole body throb.

Karl knelt down in front of me and started eating me out with a ferocity I'd never experienced before. Tina stuck her finger in Karl's mouth as he was sucking me and brought the finger to my asshole. I almost came right then and there when she shoved her finger into my tight anus.

Tina suddenly got up and turned toward me, putting her hands around my head, bringing her head toward mine, guiding my lips toward hers. My mouth dropped open at the touch of her lips against mine.

Tina slowly worked her finger in and out of my asshole, until I was wildly gyrating with the erotic pleasures I was receiving from both sides. I was totally lost in the whirlpool of sensation, until Tina sharply pulled her finger out of me. She fell to the floor in front of Karl, her ass jutting into the air, and took his throbbing cock into her mouth.

I watched, mesmerized, as her lips glided up and down the shaft of Karl's cock. Karl was in ecstasy. I had never seen him look so sexy. I stared at Tina's head bobbing up and down; her rhythm rippled through me. I could almost taste Karl's delicious dick in my mouth, almost feel it gliding off my tongue, just by watching my boo's cock disappear into Tina's mouth.

Tina suddenly got up and turned toward me, putting her hands around my head, bringing her head toward mine, guiding my lips toward hers. My mouth dropped open at the touch of her lips against mine. She shoved her tongue into me so forcefully it struck the back of my throat. Her fingers grabbed my hair and her breasts ground against mine.

loved most in the world.

As though a dam had been released, all of me was gushing, dancing to a wild, sensual beat, hissing through the air. I shuddered in delight, undulating in a sea of rampant sexuality. Screaming frantically, I came and came, as if I would never stop. Tina's eyes sparkled in front of me; Karl was thrusting deep behind me.

Soon all of us were trembling and moaning together, the spasms from Karl passing through me to Tina. I kept coming, tumbling, moaning, writhing. I had never surrendered so completely to such dazzling, vibrant sexuality.

Karl's body relaxed behind me, his grip loosening. Tina guided me off his spent cock, and in one fluid motion she laid me on the floor. At once she lowered her tantalizing mouth to my sopping-wet cunt while she placed her own beautiful bush in my face. I opened her cunt lips with my newly freed hands and desperately sought out her rosy clit with my tongue. Lost in the sweetness of her taste and the incredible pleasures of her talented mouth, I continued to fly in an orgasmic

Karl moved behind me and Tina guided his stiff rod into my ass. I started to churn, writhing against the massive intrusion into my asshole. Tina kept her mouth on mine as her fingers plunged into my pussy. I was whirling; all of me was spinning and melting. I was swimming on the verge of an abyss which threatened to overtake me. In front of me and behind me were the two people I

orbit, spasms ricocheting from my charged body to hers.

We all ended up in the same bed that night, our bodies and legs entwined, sleeping soundly. We awoke to a beautiful day, tinged only by the sad fact that Tina had to leave us. Her vacation was over.

I haven't seen or spoken to Tina since that morning, but I know the three of us will become one again.

A blonde woman with shoulder-length hair is posing nude, sitting on a red and white striped towel by a swimming pool. She is looking over her shoulder at the camera with a smile. The pool has a stone border and a blue inflatable ring. Lush green trees and foliage are in the background. A text box is overlaid on the right side of the image.

Natalie

Natalie is so adorable. She sent us one of the most amazing set of photos and video. Her boyfriend was filming her, as she was posing and looking hot as she flirted with him on video. She flirted with her hot ass booty, and we were dying to see more. Her sweet little pussy was so hot and wet, and she really knew how to use it. She worked that pussy from multiple angles. In the end we couldn't believe this innocent looking girl was a total freak that we all fell in love with. So enjoy her pix and check out her amazingly hot video, too.
